

# LEGACY® WALKIE COMBO

**The Legacy® Walkie Combo is one of the easiest and most convenient solutions for light duty walkie-truck applications.**

The Legacy® Walkie Combo, an innovative concept in pallet jack batteries, combines one of the industry's sturdiest lead-acid batteries with a perfectly matched charger for the most efficient technology in a single 120V AC plug-in unit.

The advantages of premium-quality materials and engineering know-how are built into every Legacy® High Performance Battery to give you the most effective capacity and voltage for the long run. In fact, other batteries may cost less initially, but the Legacy® can outrun them over time — and keep on running — to give you the best possible return on your investment.

With the Legacy® Walkie Combo, you get better efficiency day-to-day. And, it comes in an easy, safe and convenient package, ideal for the material handling industry.
